

Helping You Thrive

Everyone experiences challenges that can affect their mental health. Your employer offers a benefit called an Employee Assistance Program (EAP) through ERC: Counselors & Consultants that can help you address mental health issues and create positive ripples in your life.

- The EAP provides short-term mental health counseling for you (employees), your spouse, your dependents, and those in your immediate household.
- There is no cost or co-pay to use the program, and the EAP is not tied to your insurance. Your employer sponsors this mental health benefit.
- EAP counseling is confidential and HIPAA protected. No identifying information is provided to your employer without your written consent.
- ERC has a team of licensed counselors as well as a proprietary network of counselors throughout the nation to assist you where you are located.
