

Chiropractic Benefit

Chiropractic Services are available at a reduced copay through the City of Marinette for covered employees.

The City shall reimburse the employee for the cost of Chiropractic Care up to **\$35 per visit**, for a maximum of **10 visits per year**.

Benefits must be rendered by a chiropractor.

Employee completes Chiropractic Form once a month.

Forms are located on Employee Portal or Human Resources Department.

Submission of adequate documentation, including receipts, is required before reimbursement is made.
